MHLV Dance's Mission Statement: It is our mission to instill a great love of dance in a modest environment, while inspiring self-confidence, discipline, and respect for the performing arts. Our goal is to give each dancer the tools they need to take dance as far as they dream to take it.

All recitals or performances created by MHLV Dance will be for **women and girls only** in accordance to Jewish law. This is in order to create a space where girls can feel comfortable expressing themselves freely. Although we aim to cater to the needs of Jewish women, dancers do not have to be Jewish to be a part of our dance studio.

Terms and Conditions

Registration Fee: In order to attend any class at MHLV Dance, a \$30 registration fee is required to be paid for each student, maximum \$50 per family. One registration is for one student only, and cannot be applied to siblings, spouses, children, friends, parents, et cetera of a registered student. This fee is non-refundable, holds a student's place in class, and covers insurance and administrative costs.

At MHLV Dance, dance classes are charged every 4 weeks on the 10th of every month via Dance Studio Pro over 10 months, from August-June.

Why are tuition payments all the same when some months have less classes?

Tuition payments are based on the number of classes given per year, and then divided equally among the months that there are classes. This way instead of paying more for months that may have 4 or 5 classes or less for months that have 2 or 3 classes, you are paying an equal amount every month.

Class Prices: This is the amount you will pay every month (August through June) for your student's classes. This price includes most things that are usually considered "extras". This means that instead of some month's payments being higher, all payments will remain the same amount for the whole year.

Students that register after the month of August will have their first month's tuition adjusted accordingly to account for the recital and registration fees.

All drop-in and class purchases and payments are final and non-refundable.

Classes can not be shared with another individual.

Online payment is required. Automated online payments can be made through our website (www.MHLVDANCE.com). A fee of 3% will be applied to each transaction. Makeup classes can be taken within the same month of the missed class at any other class appropriate for the students age and level that has space.

Spring Recital

Part of dance training includes learning through performance. The experience of performing helps build self-esteem and confidence. Participating in rehearsals helps children develop retention skills, teamwork, and adaptability. We're going to have a GREAT show and we look forward to sharing it with you!

Save the Date!

Our end of the year recital will likely be on Sunday, June 9th, 2024 at the Wortham Theater. Our recital fee is included in our all inclusive monthly pricing. This includes your costume, tights, professional video & professional dress rehearsal photos. **Our recital is for Women and Girls only.** Dress Rehearsal will be on the same day at the Wortham Theater with a break in between. Tickets to see the show will be around \$25 per person. Recital shirts, flowers and studio portraits will be available for sale and are **optional**. The date and theater are subject to change.
