A big part of the dance training process includes learning through performance. The experience helps build self-esteem and confidence. Onstage experience can also result in better school presentations, improved social skills, and strong interview skills for future college or job opportunities. Participating in rehearsals helps children develop retention skills, teamwork, and adaptability. We've created this handbook in an effort to clarify what is required in terms of commitments and responsibility in order to make the Spring Recital a great experience for students, teachers, parents, tech crew, and audience members alike. We're going to have a GREAT show and we look forward to sharing it with you!

DRESS REHEARSAL INFORMATION

- Dress Rehearsal will be held on the same day that the dancers will perform
- Students under 9 years old must have a mom present for their entire dress rehearsal.
- **ALL** dancers are to arrive ready in full costume, hair, and makeup. They will perform their dress rehearsal like this! (Dress Rehearsal will be photographed professionally, the recital will not be. This will be a great time for photos as no photos or video is allowed during the performance)
- Please ensure a cover up is worn over the costume when traveling to and from the theater. This could be a robe, button-up shirt, swimsuit cover, or anything that conceals the costume and keeps it clean.
- Students in multiple dances will have their first costume on and the other in a garment bag with their name on it. It will be placed in the quick change dressing room.
- Please do not eat in costume, water only!
- There will be times when your child is waiting backstage during routines they are not in. We encourage packing clean mess free activities for them. (i.e. books, a stuffed animal, hand-held gaming device, Ipad, fidget toys)
- For Dress Rehearsal parents will be able to sit anywhere in a seat in the audience
- No parent will be permitted backstage during the performance or dress rehearsal unless there is an emergency. Students with multiple dances have been given a "Buddy" for both dress rehearsal and the performance. More information will be sent to those select students in a separate email.

PERFORMANCE INFORMATION

- Dancers call time is at **4:15 pm**, upon arrival dancers will check in with a teacher at **the back door entrance by the loading dock.**
- **ALL** dancers come in costume with hair and makeup done and their costume on under a cover up for their first number. The cover up is also to be worn when sitting in the audience or walking outside. The cover up should only be taken off when going into the holding room before the performance.
- During the performance, Please NO Flash photography, this is very distracting to the dancers and dangerous to any of the students performing Aerial Silks routines.

World Tour

- No video recording will be allowed during the performance. We have hired a professional videographer and the video of the recital will be available to all performers after the recital.
- This is a fun time to create special memories with you and your dancer/dancers. Sit back, relax, and enjoy every moment!

How It's Going to Work

Dress Rehearsal: 10:40-1:30 p.m.

- All performers should arrive at their assigned time and in costume with their hair and makeup already done. Must have coverup on. Dancers should be dropped off at the back door entrance by the loading dock.
- Students in multiple dances will have their first costume on and the other in a garment bag with their name on it. It will be placed in the quick change dressing room.
- Dress rehearsal will run exactly like the real show. All students will wait backstage in show order. Parents will sit in the audience for the entirety of the dress rehearsal.
- We will be running the entire recital all the way through. Dancers may leave after they rehearsed their dance and have been released by their instructor. They do not have to stay until the end of the run through.
- We only have a short dinner break, so be prompt in retrieving your girls after rehearsal. Get them food, water, and maybe a nap!

Recital Student Check In: 4:15 p.m.

- Dancers should be dropped off via the back door entrance at the loading dock.
- We will be contacting parents of the students that have not checked in by 4:30
- At promptly 4:30 dancers will line up in their assigned class waiting area. Cover ups will be taken off and placed with their bags. We will do a group warm up and then walk backstage to prepare for showtime.
